## Core Processing Technician

**Richwil Truck Centre Ltd.** is currently seeking a *Core Processing Technician* to join our team in Woodstock, New Brunswick.

As a Core Processing Technician, you'll be responsible for processing core units throughout the operation while leveraging your technical and analytical skills to inspect incoming parts and compare reports, invoices, and manifest to verify order accuracy. This position will also require recording shipment information and preparing items for shipping. Experience will be considered an asset.

### Requirements:

- Assist shipping & receiving cores
- Review work orders and shipping orders
- Excellent communication skills
- Strong sense of commitment to customers
- Able to lift 50 lbs
- Sort and organize materials on racks and shelving
- Weigh and count items for distribution
- Record info on incoming & outgoing items
- DPF Cleaning
- Prepare parcels for shipping
- Fast-paced, attention to detail, etc.
- Ability to operate a fork lift considered an asset
